Year 6 Prayer - Respect Moving On

Dear Lord,

We are sorry for being disrespectful of others' beliefs and that we do not always listen to and support those around us. Thank you for supporting us through challenging times and giving us the ability to move on during difficult situations.

Thank you for guiding us and helping us to choose the right path as we travel through life. Please help us as we begin new journeys and face tricky situations.

Please help us as we travel to pastures new and as we grow and change as people. Please continue to assist us and aid us to respect our world and those who share it with us.

Amen
