

Dear Parents

I can officially say that the building work on the Junior site has finished! We have had the final snagging meeting and the work was completed over the February half term holiday. Please take the opportunity to visit the site when we have our Parents sessions.

I do often think I have the best job in the world, watching your children dance at the HASSP Dance Festival on 5th and 6th March definitely proved it. It was such a pleasure to see the year 1& 2 children do their Popeye the Sailor Man dance and to watch our year 4 & 5 girls dance with Haddenham Junior school was a delight. I must make special mention of Sophie Gibson, who was a star!

These joint activities with the Haddenham Schools give our children wider opportunities to participate in different sporting activities. I know that the girls got a lot out of working together.

Dinosaur Trip

We went to the Dinosaur Museum and it was like Dinoland. When we went into a gallery we saw Dinosaur footprints. We saw big and small bones. I liked the roaring dinosaur and the dinosaur that came out of the egg. I liked the dressing up clothes and Jack dressed up as a Pterosaur. Freddie and Naomi Foundation.

School Values

This half term we will be looking at **Respect**. These are the Bible readings we are sharing with the children:

'However you want people to treat you, so treat them,' Matthew 7:12

'Do nothing from selfishness or empty conceit, but with humility of mind, let each of you regard one another as more important than himself.' Philippians 2:3

Mrs Pratt

Mrs Pratt will be leaving us on Friday 14th March. Although she has only been with us a short time, she will be greatly missed. We wish her every success working in a busy secondary school near to High Wycombe. We have appointed an experienced School secretary who will be starting work after Easter.

This does mean we are without a secretary until after the Easter Holidays. Mrs Huxley and myself will be covering the Office, answering the phones and dealing with emails.

Lacey

It is with great sadness that I have to inform you that Lacey, the little girl with Mitochondrial disease died on Valentine's Day. You will remember that the school was supporting a charity to provide her with equipment to make her life easier. The staff and I have decided to continue to support the charity, as the money is now being used to help other children with this condition.
