

Bucks County Council Admissions Contacts Update

Over the last few months we have made some changes to how parents contact us. In order to help parents through the Admissions process. could you please ensure that your school website reflects these changes.

Since February, parents have no longer been able to call the Admissions & Transport team. If they dial 01296 383250 they will hear an automated message advising the parent to visit our website. If they dial the main BCC telephone number, an advisor will inform the parent to complete a Contact Us form. Can you please ensure that the Admissions & Transport telephone number is no longer published on your website

We advise parents wishing to contact us in the first instance, to use our Contact Us form. This provides us with all the information that we require to enable us to answer the parents enquiry promptly. Could you please replace our email address (admissions@buckscc.gov.uk) with the link to our Contact Us form www.buckscc.gov.uk/contactadmissions

Our website links have changed, if you refer to any of the sections below on your website, then please use the new hyperlinks.
