

Year 2 Prayer: Determination and Persistence

Dear God,

Please help us to have persistence and to stay determined in all that we do even if it seems difficult.

Help us to keep trying with our swimming.

Help us with our learning.

Be with us when we keep trying in football, gymnastics, horse riding, eating more quickly and drawing.

Help us to learn everything we need, to have our dream jobs.

Help us to be determined to care for the world and the people in our lives.

Let us understand that through our determination and not giving up we will be closer to achieving our goals.

Amen
