

Year 6 Prayer – Integrity

Dear Lord,

Help us to do the right thing when there is no one looking. Also, to be honest even if we might have done a bad thing, we are ashamed of.

Thank you, Lord, for all you have done.

It is sometimes hard to tell the truth and show honesty, but if you are doing the right thing then it will be worth it.

Please help the people in our world that have not shown integrity in the past; help us to redeem ourselves.

Help us to have integrity, which will make our and other people's lives better. Forgive us for our bad mistakes throughout our life.

Thank you for being there when we need you the most and giving us friends who show us what integrity truly means. Thank you for our kind families who tell us if we are doing wrong.

Amen
