

Year 2 prayer – Moving Up

Dear Lord,

Please be with us as we come to the end of the school year. Let us be thankful for all the memories we have had over the year and the time we will have during the summer holidays to be with our families and friends.

Help our Year 6s to show their kindness and respect when they settle into their new environment in September. We hope they make friends quickly. Let them show love and build confidence in their new school and show their new teachers that they can be superheroes in their lessons.

Make sure the preschool children are ready to settle into Little Owls and help the new Year 1s and Year 2s look after them because we want them to feel happy at Cuddington and Dinton.

Please help us to enjoy the last few days on the infant site and to trust in the people at the junior site and make sure we have fun lessons and keep trying our hardest.

Help the Year 5s to be confident at being the oldest children in the school and we hope that everyone will enjoy their new classes.

Amen
