

Year 6 School Prayer

Rules

Dear Lord,

Sorry for conflicts where people have disobeyed and ignored your rules. We are sorry that we don't always follow the rules that are given to us. We are sorry that we don't understand how much it means to follow the rules; please help us to follow your guidance.

Thank you for rules that help us stay out of dangerous situations and for the rules that get us through our life safely. We are grateful for all the rules that are there to guide us through tricky situations. We are thankful for the rules we obey that give us chances for new experiences.

Help others follow rules and understand why they should. Help people who have been through conflict start again with new rules and a better life. We are grateful for others who have helped us to make the right choices throughout our lives.

Please help us to obey rules because rules are there for a reason: to keep us safe and out of danger. Please help us to understand why we have rules that keep us safe and help us to follow them. Please help us to walk in your steps and to follow your guidance even when times are tough. We are grateful that you are there to help us in our lives.

Amen.
