

Year 3 Harvest Prayer

Dear Lord,

Thank you for the farmers who grow crops, vegetables and fruit for us to eat. Help them as they harvest these crops in all kinds of weather.

We are thankful for the huge variety of food that we have to choose from and that we never have to go hungry. We are sorry if we sometimes waste food. Please help us to recognise that we are very lucky. We pray for all those across the world who are not as lucky as us and often go hungry.

We thank you for the people at The Vineyard who come to collect our harvest gifts and make sure that they are given to people in need in our local towns and villages.

Help us to look after our world, to treasure all the things that we have and to play our part in making the world a safe and happy place for us and for the those who live in the future.

We praise you Lord.

Amen
