

Year 2 prayer: What is home?

Dear God,

A home is built but not complete without family and love. Thank you for the love in our homes and our families. Let us also respect our neighbours. Thank you to the people that keep us safe and we are grateful for the things we have.

Let us think of those who are less fortunate than us in our prayer and let us pray that they find love, happiness and shelter.

Please help us to protect the homes of animals so they can be safe and happy too.

Lots of hearts make a whole house.

Amen
