

Dear Parents,

Thank you for your patience with the road works. We had no prior warning from Bucks County Council, so I was very grateful to the parents who informed us.

I attended the F4CADs meeting last week and was delighted to see so many of you there supporting our school. They have planned some exciting activities for this academic year- the Christmas Fair next Friday 29th, a quiz after Christmas and a summer music event on the 26th June 2020 at the Junior site with our very own parent star act! More information will be circulated by F4CADs but I just wanted to wet you appetite!

Some of the more observant amongst you may have noticed Mrs Venn in school on Wednesday. She will be doing 1 day a week in Foundation, until Mrs Harvey returns.

Year 5&6 had a fantastic day at the Trenchard Museum at RAF Halton the children spent the day exploring STEM hands-on activities such as flying in a flight simulator, making rockets to fire through an air cannon, building model airplanes and using radios to communicate. Year 3&4 were also out this week visiting Oxford Science and were busting with excitement to tell me all about the activities they had taken part in.

Not to be outdone, the Infant children have started practicing for their Nativity with much mirth and excitement too!

Finally, I am always very proud of the staff and children at Cuddington and Dinton School, but last Friday evening was at a whole new level. Mrs Wilde and I were invited to see Mrs Bowman receive her award for Primary Science Quality Mark, Gilt level. We had a drinks reception at the News building in London and both proudly clapped and cheered when Mrs Bowman went on stage to be presented with the award. What a wonderful recognition for all the work which goes into developing our science curriculum, offering children exciting experiences in school.

Mrs Price

Chocolate Mufti

Thank you for all the chocolate that came into school today. The chocolate tombola at the Christmas fair will be a great success.

Packed lunch for trips

We are always thinking of ways to reduce plastic waste in school. One of the ways we advocate is when children go on school trips we want them to bring their lunch in a small ruck sack with items involving minimum packaging. In previous years we have asked for lunch to be sent in in a carrier bag and we throw everything away; we will no longer be doing this. We would also prefer the drink to be in a reusable bottle and must only be water.

Nativity tickets

If you haven't already done so, please book your nativity tickets via the Survey Monkey link: <https://www.surveymonkey.co.uk/r/LTPG2C2>

Deadline for tickets is Friday 29th November.

Photographs

Veronica has delivered all the photographs to school. She has also informed us that she has sent out the DVDs to those parents who requested them. The photographs I saw were beautiful, she really manages to capture the personalities of the children.

Christmas Fair

Our Christmas Fair is Friday 29th November please see attached flyer.

Christmas Surprise Shop

On Thursday 12th December (Infants) and Friday 13th December (Juniors), during school time, the Surprise Shop will be open and gifts will be available for children to buy for their family (up to a maximum of 5 presents) at a cost of £2 per present – all the proceeds go to F4CADS.

Once the children have made their selection, their gifts will be wrapped and tagged, and the children will bring them home the same day. Please send your child into school with a carrier bag that they can bring their gifts home in.

In order to take part, your child/children need to donate at least the same number of gifts as they are going to buy otherwise the shop will run out of stock. We are quite often short of gifts for fathers and brothers.

Labels will be sent out in their book bags before the shop.

Thank you for your continued support and generosity.

F4CADS Committee

Dinton Messy Church

Dinton Messy Church is on again this Sunday 24th November, in Dinton Church from 4-5.30pm. There will be lots of Advent themed craft activities.

We will also be serving a delicious meal of sausage casserole followed by fruit for pudding.

Join us on Sunday where we will be preparing for Christmas making: Advent wreaths, Christmas cards and decorations and making a Christmas pudding!

We hope to see you this Sunday for lots of fun!

Payments

France Payment

There is a library book payment request on all accounts this will remain on there for the whole academic year.
