

### Year 5 Remembrance Prayer

Dear Lord,

Help us to remember those who fought for us so we can live peacefully in this world. Please help us to remember those who lost their lives in the wars to help make our lives better. Please enable us to support families who have suffered the loss of their relatives or friends.

Thank you for all the men and women who stood up for us and kept us safe throughout those sad times. Thank you for the women and men at Bletchley Park who broke codes in World War Two. Help us to wear poppies or forget-me-nots to show respect and to help us prevent any further wars.

Please make us to understand that you do not need to kill people to have strength. Strength comes with being friendly and kind to others; to love each other. We will all try not to cause a war. Forgive us for treating others badly. Hopefully we can all live in peace.

We are sorry for the wars that are happening now. We pray that they will end and let us pray to stop wars in the future. Please help us to avoid creating wars.

Amen
