

Dear Parents,

Last Friday on the Junior site all the children had the opportunity to work with an Architectural Outreach worker and they built the most amazing structures which filled the hall!

The year 3&4 children built a pyramid which reached the ceiling and the year 5&6 children built a replica of Crystal Palace all out of cane and elastic bands. The photographs will be on the website. I was lucky enough to see the year 5&6 construction and was impressed by their problem solving and cooperation.

We will not be passing the cost of this on to you, as we are aware that we regularly ask for money for different events.

*Mrs Price*

### **Cold Weather- polite reminder**

Despite it being January, some children are coming to school without jumpers and wearing short socks. The children will always be outside for break and lunch unless it is torrential rain, so they need to have appropriate warm clothing.

### **Watches**

Some children have been wearing watches to school that you can take photographs on and play games on. These are not suitable for school, so please help us to ensure that they don't sneakily appear on a child's wrist! (I'm not entirely sure that you knew they were wearing them in school).

### **France Trip**

We have now finalised the staff accompanying the year 5&6 children to France in June. It will be Mrs Wilde, Mrs Price, Mrs Brogan, Mrs Reed, Mrs Bowman, Mrs Humphreys, Mrs Clarke and Mr Mackriell. Miss Knowler will be teaching year 4 whilst Mr Mackriell is away.

### **Science Fact:**

Did you know that if you touch a light switch with wet hands you will get an electric shock! Thanks Martha for that safety information.

### **Last Call for the Nasal Flu vaccination**

*from Buckinghamshire Immunisation Team*

There will be two final opportunities for your child to receive the flu vaccination if they have not already been immunised.

The clinics will be running from Rayners Hedge Clinic, Aylesbury on :-

- *Monday 20th January*
- *Wednesday 29th January*

To book an appointment please ring 01296 567860

### Head Lice

We have had a reported case of head lice on the Infants site. We would be very grateful if you would check your children's hair thoroughly and take the appropriate action if necessary.

### Payments

- France Payment
- Spring Morning and Night Owls

### Parents Evening Reminder

Parents evening dates for this Spring Term will be

4<sup>th</sup> February 2020

5<sup>th</sup> February 2020
