

Dear Parents,

Thank you to those of you who attended the quiz night last Friday. Well done to the winning team- they clearly had more knowledge about farming than the rest of us! Thanks also to Precious and F4CADS in organising such a successful event - I have yet to hear how much money we raised. I also would like to thank Susan for the entertainment and Mr Jackson in his role as Quiz master.

Thank you to the all the children (and parents) for the inventive world book day costumes. We will put pictures up on the website so you can see just how fantastic the children (and staff) looked.

Finally, thank you to Dr Faller for coming to the Junior site today to talk to teach us all about hand-washing and good hygiene. We will be repeating the session next week for the Infants.

*Mrs Price*

### **Coronavirus**

I wanted to let you know how we are managing the coronavirus threat in school.

I receive and read the daily updates from Public Health England and the DFE, and we are liaising with other local schools. The current position is for schools to remain open and for trips and visits to continue as normal. We are encouraging children to wash their hands regularly and to use tissues, thank you to Dr Faller for helping us to bring home this message to the children. The school premises are cleaned thoroughly every night, and the school caretaker is regularly cleaning desks and door handles with Milton.

Mr Ecott (Chair of Governors) and I have an emergency plan in place, should we need it. If it becomes necessary to close for any reason, we will notify you of school closure in the same way we would if we close for any reason (Twitter, Mix 96, Bucks County Council and email). Should we be closed for more than 2 days, we will ensure that school work is available for the children through the usual homework methods: MyMaths, Learning Logs and TTRockstars.

### **Twitter**

We enjoy being able to use Twitter in a safe and secure way, helping give you more information and a glimpse into your child's life at school.

As I am sure you are aware, we have a two-step registration process to follow

@cdsupdate. Firstly, we require a registration form, available here on

our website <https://www.cuddingtonanddintonschool.co.uk/parent-info/#communication>

Secondly, please request to follow our account on Twitter. Without the two we are unable to authenticate who is requesting to follow the school. We have the following Twitter users currently 'pending' following our account. If you have made a request to join on Twitter but cannot see our tweets this is because you haven't completed the form, we just require the registration form to allow you to follow.

### **Messy Church**

**Messy Church Cheersley** – Come along this Sunday 8<sup>th</sup> March to Cheersley Village Hall from 4-5.30 where we will be doing lots of Easter crafts and activities – bake a resurrection roll (see Jesus disappear), ride a donkey, try marble painting, decorate an egg, build an egg tower, try an obstacle race, roll an egg with your nose, bang in some nails and hunt for chocolate eggs! All ages welcome and its free!

### **Science Week**

It is Science week next week and children will be doing extra science in school. We are using collective worship time to learn about scientists who demonstrate our half term value and everyone's Learning Log activity will be science based.

### **Plimsolls in school**

Earlier this week we sent a message out regarding children requesting to wear socks in school for indoor PE. If children have verruca's, including other medical conditions, plimsolls will be permitted; but please be aware they are not part of the usual required PE kit.

### **Sponsored read**

Please start collecting your sponsored read money. If your child hasn't bought their form into school this week for staff to make a note of when they read in school- please send it in on Monday. The deadline to get all the money in will be 27th March. The child collecting the most money on each site will be able to choose books for the library, alongside the school council.

### **Sports Relief**

Friday 13th March is Sports relief. The children can wear sports clothing and trainers to school on Friday and make a minimum donation of £1.00 to do so. Please remember to send you pounds in as we often have children who have forgotten! All money will go directly to Sports Relief.

### **Energy Kidz**

Easter holiday club information attached. Take advantage of the limited time offer, ending next week! Parents may claim 10% OFF all Easter Holiday Club bookings when they use the discount code: **EBEASTER20-1**. Offer ends at midnight, Sunday 15th March with all bookings made via our website: [www.energy-kidz.co.uk/holiday-club/](http://www.energy-kidz.co.uk/holiday-club/)
