

Year 2 activities

MyMaths

Activities will be added for you to complete at home. These can be repeated as questions will change and differ each time. Please email nwilde@cds.school if you cannot remember your username or login.

Reading

You can read an array of fiction and non-fiction books for your enjoyment. You can write them in your reading record and the questions below can be used when reading to an adult.

Games

Play games with your family. Remember to take turns, enjoy winning or losing and have fun! You could invent your own game and then take pictures of you playing your new game.

DT and writing

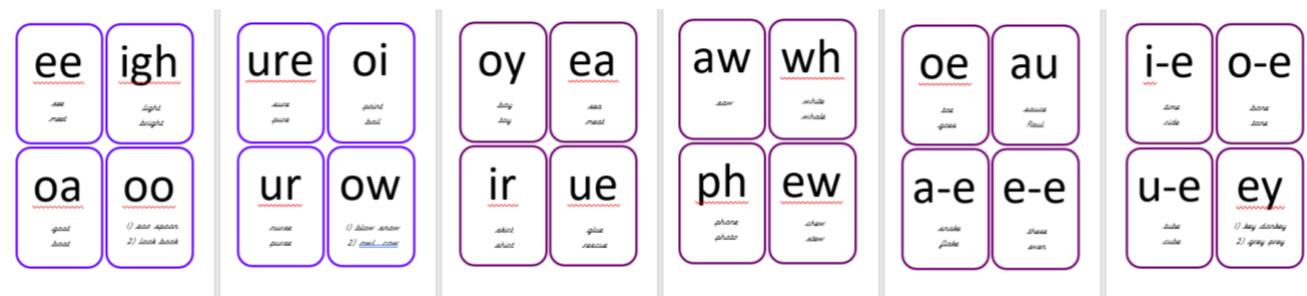

How creative can you be? Make something from Lego, wooden blocks, cardboard, boxes, paper etc... Write a little summary about what it is, what it does, etc...

Bake/cook

Bake or cook something with your parents. You could take a picture of it, write a recipe, write a review about it - did you like it way or why not?

Phonics (Mr Jackson's group)

Practise your graphemes using the grapheme cards below. Play 'Buried treasure' using this link - <https://www.phonicsplay.co.uk/Phase5Menu.htm> this is a phonics game that has real and alien words for the children to practice. It is something that they will have used within the classroom. (Does require adobe flash player)
