

Little Owls Prayer:

Theme – Different is Good:

Dear Jesus,

Although we are living in a different time, just now, we have a lot of good things to be thankful for.

We have been able to spend more time with our families than usual.

We have been learning new things such as cooking, planting, singing, and gardening.

One child has learned how to do roly-polies' and another child has learned flips that her sisters taught her.

Some have been practising really hard and have learned to read books on their own. Some have been able to read two books in a day.

Another child has enjoyed using her flower press and making cards with the flowers to send to her friends.

We have been able to spend more time playing with our siblings and Mum's and Dad's because they are usually at work and we are at school.

We have enjoyed help and support from our families when we have had an accident like breaking a leg.

We are grateful for lots of opportunities to explore in nature and to walk with our families and pets.

Thank you God that during this unusual time, we have been able to adapt and have fun!

Amen
