

Year 6 Prayer – Love – September 2020

Dear Lord,

Sorry that we do not always love each as we should Please help us to find the love within us.

Thank you for families who love and care for us and teach us how to love each other. Please help others, who are not as loved as us, to find someone caring and loving to look after them.

Help us to say thank you to others for loving and caring for us, including the NHS who nurse our loved ones with care and compassion but without prejudice.

Let others find their real selves and show their true inner colours of love and kindness. Please help others, who are struggling, to feel and find love in this world. Guide them to a better place where they can experience love in the best possible way.

Amen
