

Year 3 observations about Cuddington and Dinton School

(all the children's own thoughts and ideas)

At Cuddington and Dinton School the teachers care for us. Not only does our school have amazing teachers that teach us everything, but your child will make good friends too.

We are very lucky to have the most awesome teachers and the most amazing lessons in the world. We have the best stories from our teachers, because they are the best readers in the world. All the teachers are great- they look after you, they are helpful, they are kind and make lessons really fun. They give us the best maths questions. If your child struggles with maths, English or reading the teacher will come and help you. Everyone is kind and happy. Music lessons are really fun. The teachers will take care of your children; if you get hurt the teachers help immediately with a plaster. We love our teachers because they are lovely, and they are ours!

I like being at school because of PE with Mr Messenger- he is kind and does fun things with us. We have PE twice a week and we are doing Tag Rugby and Dance. Every year in the summer we have sports day and we all get to choose what race we want to do- relay, egg and spoon. I love that we can go to sports clubs after school.

Our school has the best ever before and after school club called Morning and Night Owls. It is great because you can play games outside with your friends. The outside play area is fantastic.

Our teacher, Mrs Chaplin is so kind and respects us. She teaches maths, English, guided reading, topic and French which are really good fun. She always looks out for the class. I especially like year 3 because you can get a pen licence. Your children will have golden time for following the school rules. We have extra play or free time to choose to doing drawing or whatever you want! We also earn buttons in our class for being calm and good; this means we can have an extra-long breaktime.

I love group time where you get to talk to each other and share your thoughts and problems. We also have small group lessons for English, Mrs Clements is very kind and will always help you.

Mrs Price cares for us, she is an amazing Headteacher. She is always kind and lets me into her author group. If the fire alarm goes off our headteacher will guide us to safety. She always keeps us safe and when we are in need, she helps us. She is the best ever headteacher in the whole wide world!

We have nice friends who we play with. We have a break in the morning, so you have a rest from all your hard work.

You can learn a musical instrument like drums, guitar and keyboard

At lunch you can have packed lunch or hot dinners; the dinner lady serves the best food. The dinners are tasty and keep us fit and healthy.

We have a school bus which picks up children from different villages.

You will love this school; it is the best school. Make sure you send your children to this school; your child will be happy here. We don't want to leave when we get to year 6.
