

### Little Owls Prayer Why Do We Fall Out?

Dear Jesus,

Sometimes we fall out with our friends and family over little things like; not sharing toys or sweets, not agreeing on things with our friends like who is going to be the Mummy in a game. And sometimes it's not letting someone play at all!

When we fall out with our friends, we can get angry and say unkind things and sometimes don't talk to our friends for a while. This affects us both, we both end up unhappy!

Please help us to be patient with each other, help us to play fairly and share. Help us to make the right choice, where we find a compromise, which makes us both happy.

Being kind and thinking about how others feel is the right choice. Walking away when we feel cross or upset to think about how to deal with a problem, is the right choice. It is up to us to choose whether we want to be upset or whether we want to find a way to get along with our friends.

Thank you, God, for your patience with us when we don't choose the right choice.

Amen
