

Dear Parents and Carers,

At the end of a very unusual term, I would like to take this opportunity to wish you all a Happy Easter and hope that you can manage to spend some time with family members now that the restrictions have changed.

In the Christian calendar, Easter is always a time for reflection. We have had lots to reflect on over the year. I spent time on Friday with year 4 and we talked about the good things that happened in Lockdown and reflected on ways we can continue with them (a quieter Christmas was quite popular!). For some children, we know that this year has been difficult, and we spent some time talking about this and thinking how we can support each other, and what we are looking forward to.

Stay safe,
Mrs Price
