

## Year 2 Prayer – Recognising what is special in others

Hands together, eyes closed.

Dear God,

Please remind us that animals and everything is special in their own way. Let us see that we are all unique and we all like different things, which makes us special. Thank you for helping us to recognise that some people are good at the things we are good at, but some people aren't, and we can help to teach them.

Help us to see that everyone is special, and everyone likes different things. It does not matter if we look different, it matters what's inside of us.

Thank you for the special people in our lives and remind us to always be kind to the people that love and care for us.

Help us to remember, God, that you are special because you want to help us all the time.

Amen
