

Special People in the Bible

Dear Lord,

Thank you for Jesus who is so important to us.

Help to be kind and helpful like Jesus.

He was friendly and always told the truth. We should try to copy him and remember that we shouldn't tell lies.

Jesus was forgiving and we should be able to forgive people too.

He was patient and we should be patient and wait our turn when playing games.

He helps us know how to behave by telling us parables which have important messages and teaches us how to take responsibility for what we do.

Please make us believe in ourselves, just like Jesus believes in us.

Jesus loves all of us and gives us hope.

Amen
