16<sup>TH</sup> JULY 2021

Dear parents and carers,

We have just finished a moving outdoor leavers service for the year 6 pupils. It was lovely to see parents and share stories of the children when they were younger. Thank you to the year 6 parents for their generous gift; we shall be using the book vouchers to buy fiction books for our library.

A message to our Year 6 pupils from our Chair of Governors, Mr G Ecott:

*"I'm sure you have all heard everyone say what a strange year it has been, and it has been a very unusual Year 6. But even though it has been very different to normal school years, what is very impressive is how well you have all done, and all the governors are very proud of the way you have worked and got on with school even during lockdown. Now as you go on to your next school, I am sure you will all continue to shine as brightly as you have at Cuddington and Dinton."*

Our sports days were very successful:

Blue house won the Infants sports day;  
Red house won the year 3&4 sports day;  
Yellow team won the year 5&6 sports day;  
The overall winners were Red House.

The children were fantastic - supporting each other, encouraging participation and gamely taking part in each event. The staff were particularly proud of the team spirit and supportive attitudes displayed by their classes. There are photos on our secure Twitter feed of the Infant and year 3&4 sports day, and the y5 orienteering day at Waddesdon. (Look over the weekend for Twitter photographs of the year 5&6 sports day and today's leavers service.)

A special mention to Phoebe for the year 3&4 photos, Samantha for the year 5&6 photos, Mrs Harvey for the Infant photos. Also, a thank you to Elliot, Charlotte, Nadia, Courtney, Greta, Henry, Kit and Izzy (our year 6 House Captains) for helping set up the Junior events.

As we move to the last few days of school, please make sure that you provide your child with a sunhat and a water bottle (Juniors) and apply sunscreen prior to school.

Have a great weekend.

Mrs Price

### **Year 3&4 bubble closure**

A child in year 3 tested positive for COVID today, with a PCR test. The year 3&4 bubble was closed yesterday and other children that the infected child may have come into contact with have been informed. Please remember that it is the year 3 or 4 child that is isolating not the whole family.

It has also been brought to our attention that the infected child was also at Cheersley Cricket club on Tuesday and would have been infectious. You may wish to seek advice from the club, if your child was also playing cricket on Tuesday evening at Cheersley.

### **Year 2 transition information leaflet**

This will be put on the year 2 and 3 webpage and emailed to all the current year 2 parents on Monday.
