

School Newsletter

Dear Parents,

At the end of the first full week back in school, it has been great to be able to talk to you on the playground and welcome some of you into the building.

Like you, we are still finding our way round the things we used to do and apologise in advance if we get things wrong or don't fully explain things. If this happens, please email the office and we will do our best to answer any queries. I hope that the letter that went out earlier this week helped answer some of those questions.

Well done to the year 6 pupils who dealt admirably with the transfer to secondary test this week.

Well done also to Foundation who coped with having lunch in school, a zoom star of the week assembly and playtime with the year 1 & 2 children.

Other good news is that work on the Infant new play equipment started on Thursday. However, I do anticipate that you may find it more difficult to park near the school while the playground work takes place. I am putting pictures on WhatsApp and the school website of the build.

Mrs Price

Value for this half term

LOVE. Please see attached this week's prayer from year 6.

Family Services

The local vicars hold collective worship for the children and their families once a term in the village Church. It would be lovely to see you.

Infant Family service at Cuddington Church (9.10 start) 21.10.21

Junior Family Service at Dinton Church (9.00 start) 18.11.21

Dropping of at the Junior site

It has been reported to us that two children were seen playing unsupervised in the horse field opposite the school, before the start of the school day. Please make sure that your child knows to wait in the area by the semi-built green house until a member of staff comes to collect them.

Bus Transport

Unfortunately we still do not have the new timetable for the bus, but expect to receive it next week. We will update you as soon as we have further information.

Night Owls

Night Owls will now always be on the Junior site until 5.45pm for all children. Client Transport have agreed that the school can use empty places on the school bus to take the Infant children to the Juniors at the end of the day.

Unfortunately, this does mean that Night Owl children will not be able to do Tennis or any other Infant after school clubs.

It is vital that all Infant children are collected promptly at 3.15pm, or they may be taken on the school bus to the Junior site for you to collect them from there.

Meet the teacher

There will be no Meet the Teacher for Foundation as Mrs Harvey has met with you all individually.

Due to the new Night Owl arrangements, we are unable to supervise any Infant children on the Infant site during the meet the teacher sessions. However, if you are late picking up your Junior child, we will put them in Night Owls until you can collect them.

School Clubs

Foundation children will be able to join clubs from the Summer Term.

- Tennis and Miss Sharon's Dance are available to the children but are paid directly to the organisers.
- Junior Gardening Club is on a Wednesday lunchtime and children will sign up to that in school.
- Netball and Football is only open to year 5&6 pupils this term as we hope to be playing league matches.

These clubs will start the week beginning 20th September and cost £5.00 per session. Mrs Carr will open payment on Tuesday 14th September.

Yr 5&6 Netball- Thursday after school

Yr 5&6 Girls Football- Friday after school

Yr 5&6 Boys Football- Monday after school

Gardening Club- Wednesday Lunch time

F4CADS

Due to the unfortunate closure of a few class bubbles at the end of last academic year, F4CADS were unable to hold their annual AGM as planned.

It now brings us great pleasure to be able to invite all parents (new and old) to the rescheduled meeting to be held at the Junior site on Tuesday 28th September. Meeting will aim to start promptly at 7pm so please arrive early for refreshments. I look forward to seeing as many parents as can make it.
