

School Newsletter

Dear Parents,

I do hope you have had a good half term break. School is definitely getting back to normal; we had our first Governor visit this week. Thank you to Mrs Reading, year 4 class, Mrs Chaplin and Mrs Clements.

I hope the parents and children on the Infant site are enjoy the more pleasant entry into school! The bins and the drains got the better of me and I wanted you all to come into the grounds in a more pleasant way!

Mrs Price

Covid19 Cases

As you are aware, we now have at least one Case of Covid19 in all of our classes. However, our case numbers continue to be lower than our neighbouring schools; one local primary school has 50 cases and 6 staff. We urge you to continue to follow the government guidelines and we are maintaining our procedures in school:

- regular washing of hands
- wiping tables
- sending home any adult or child who shows any symptoms)

Winter Uniform

This option of uniform is our preferred one from November to Easter. However, children can continue to wear shorts until it becomes too cold. Please send all children to school with a coat for playtime and lunch.

Remembrance Poppies

These will be on sale from Monday. Please be generous and, although it is a donation, we would expect a minimum of 20p.

Prospective Parents sessions

We held our first session on Wednesday and it was lovely to show a group of parents and small children around the Infant site.

Parent Forum

Your new class representatives did you proud! It was a very productive meeting with lots of positives about the new behaviour system and the opening up of the school. The minutes are attached, thank you to Mrs Redding. Thanks also to your reps Ms Gwynne, Mrs Smith, Mrs Swain, Ms Cuckoo, Mrs Hadley, Mrs Traynor.

Parents Evening

If you have not already booked a zoom appointment time with your child's teacher, the booking system closes on Monday 8th November. The zoom link for the parents evening sessions will be sent out in an email on Monday afternoon to enable you to login.

F4CADS

Thank you to all parents that donated cake this morning for the F4CADS Bake sale stall at the Cuddington Village Fireworks tonight, there is a great selection of baked goodies to help raise funds for the school. Gates open 6.30pm, Fireworks start at 7.30pm. It is FREE entry and there will be a BBQ, indoor and outdoor bar, glowsticks and mulled wine!

Christmas Shop

The children really enjoy doing their own Christmas shopping and being able to choose presents to give to their family.

Infants surprise shop Wednesday 01/12/21 and Juniors surprise shop Thursday 02/12/21. A further email will be sent with parent information about the Christmas Shop.

Christmas Fayre - 10th December

Another exciting Christmas event so please save the date! There will be all sorts of games, refreshments, and chances to win Christmas treats, as well as various stalls to buy gifts. If any parents would like a table at our Christmas fayre please do get in touch.

Other easy ways to support F4CADS this Christmas :

Amazon Smile:

Please take a moment to setup your amazon shopping account into an AmazonSmile account supporting F4CADS.

On the search bar within Amazon.co.uk you type amazon smile. This brings up a list of charities, search "Friends 4 Cads", select the tick box and agree to always go through Amazon Smile. And that's it, your account is set to always donate to F4CADS. Just double check before you checkout that you have smile amazon at the top left corner. <https://smile.amazon.co.uk/ch/1035146-0>

Easyfundraising:

Before you do your Waitrose, M&S or other Christmas shop, open the Easyfundraising site using this link <https://www.easyfundraising.org.uk/panel/>

This will ask you to set up an email profile, takes less than 3 minutes. You then search for the retailer of your choice and continue with your shopping. Once you save your details to your device, you will get reminders to use Easyfundraising whenever you shop. Easyfundraising is great for switching insurance, broadband and electricity suppliers as companies such as Uswitch and Go Compare give lumpsums to F4CADS if you go through them.
