

Year 6 prayer – Remembrance November 2021

Dear Lord,

Please hear our prayer as we apologise for all those people in the war that risked their lives for the world to be a better place. Sorry as we remember those who have lost family members, loved ones and friends. Sorry for all the wars and conflict we have caused between countries and the countless fatalities.

Thank you for the soldiers who sacrificed their dreams for us to be safe and protected. We say thank you for helping us remember the people that stood up for peace and freedom in the world. Also thank the people that came back safe and uninjured and that remained strong throughout the war.

Please let us appreciate and honour those who came back from war injured and vulnerable. Those who can no longer achieve their dreams or hopes. Please help us remember the animals that went into war and either returned badly injured or never returned.

Please hear our prayer,

Amen
