

## School Newsletter

Dear Parents,

The children have been fantastic this week. Years 6,4 and Foundation have coped very well with not having their class teacher (Illness, COVID and Training).

The school Collective Worship has been focusing on this terms value - Trust. The children have been thinking of ways to show trust in school.

Mrs Price

### **Changes to COVID isolation**

From Monday 17<sup>th</sup> January, the isolation period has reduced to 5 days if your child has no symptoms (temperature, cough, loss of taste or smell). Your child will need to have a negative lateral flow on the morning of day 5 and the morning of day 6, they can then return to school on day 6. If symptoms persist after day 5 or your child has a positive lateral flow test, you can continue to lateral flow until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of isolation, whichever is earliest. On day 11 your child can return to school and there is no need for a lateral flow test, if they have no symptoms.

### **Plastic Bottles**

We need 2 litre bottles in school, not 1 litre as I stated in last week's newsletter.

### **Echoes concert at the Albert Hall**

We still have some places for year 4,5 & 6 children to sign up to sing at the Albert Hall in March. It is a wonderful opportunity.

### **Planting trees tomorrow afternoon.**

The rest of the hedging saplings were delivered in the last week of the Autumn term. I have consulted the weather oracle (BBC Website!) and am proposing that the rest of the saplings are planted on **Saturday 15<sup>th</sup> January from 1.30pm.**

You will need to bring your own spade and dress warmly with sturdy footwear. Children are welcome to help too, and we will provide biscuits! Mr Jackson and I expect that the planting will take about 1-2 hours if enough adults come to help. Thank you to those who came previously and hopefully we'll see you again.

### **Parking**

Thank you all as the being considerate in your drop off and pick up this week. It is very much appreciated by our school neighbours.

### Important Dates -

18th January - Echoes choir school rehearsals until 4.30pm  
21st January - Scooter and Skateboarding safety demonstration in lesson time  
27th January - Infant Family Service  
3rd February - Junior Family Service
