

## School Newsletter

Dear Parents,

It is great to be able to tell you that all staff are now back and feeling well. Mr Jackson and I have enjoyed teaching year 4, 6 and Foundation. The children have been fantastic and very accommodating of the changes.

Thank you to Mr and Mrs Cook, Mr and Mrs Reed, Mr Kirsten, Mr Jackson, John, Christopher, Chloe and Archie for planting the hedge on the Junior site. The hedge is now complete.

I hoped to be able to tell you about the scooting and skateboarding activities that were planned to take place today. Unfortunately, it was cancelled, we will let the children know when it is rescheduled.

Mrs Price

### Verrucae

If your child has verruca, please can you make sure that you send them to school with waterproof plasters that they can be put on for PE. This means they do not need to keep socks and trainers on indoors or wear a special grip sock.

### Headlice

We have had a reported case of headlice at the Junior school. Please check your child's hair and treat accordingly if needed.

### Fully Funded courses

Impact Futures are delivering qualifications **FULLY FUNDED** to anyone aged 19+ and regardless of their employment status. The courses are specifically designed to raise knowledge and awareness of the subject area to support others, and can be completed by staff, volunteers, parents, friends, and family within the community. Mental Health Awareness, Awareness of Bullying, SEN & Disability, Understanding Autism, Behaviour That Challenges, Allergy Awareness. Flyer attached.
