

DFE recommendations:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please note that Covid19 limited many of our activities this year. They have been highlighted in yellow

Swimming 24/26 (92%) pupils can swim 25 metres confidently, use a range of strokes and can perform self-rescue in different water-based situations (2020-21). Many of our children are in swimming squads at a number swim at County level. We continue to use our Sports Premium funding to subsidise swimming lessons for 1 term for Kst 2 pupils who are not confident swimmers. All Years 2 and 3 have a term of swimming each. Unfortunately, due to the COVID19 Lockdown 2020-21, we were unable to provide the catch-up swimming for the Kst 2 unconfident swimmers, as we prioritised year 3.

- Coach paid for from PE grant
- Lessons supplemented by PE grant

Health and Physical activity

The engagement of all pupils in regular physical activity

Our children all have a minimum of 1 1/2 hours (Infant site) and 2 hours (Junior site) of taught PE a week. In addition, the children have the opportunity to take part in daily after school sports activities and are very active in their break times. The school offers active session in both before and after school clubs. Part of their PE sessions is teaching about health, fitness and how their bodies work. Science and PHSE also covers areas of health and fitness. A fitness circuit takes place at the end of 3 lunch breaks, led by school sports leaders and Mrs Brogan.

The Pupil Premium and Ever 6 pupils participate in after school sports clubs and summer clubs for free as this is subsidised by the school.

Mrs Brogan has led CPD sessions on introducing active learning, particularly maths.

We have a Sports Leaders Programme where pupils take responsibility for assisting in running a club and supervising the younger children's sporting activities on both sites. We have approached pupils who are reluctant in sport to help the younger children, this has developed greater confidence and participation for both groups- those leading and those taking part.

We have a weekly award for Sports Person of the Week. This can be for achievement, participation or supporting others. We also keep a 'wall of fame' for those children who share their sporting achievements from outside of school. After each match the children read a match report at the sharing assembly on a Friday. The Junior playground was resurfaced at during 2020-21 and new play equipment and a larger all weather surface installed on the Infant site in September 2021.

More active breaks took place from Autumn 2020, due to home-based learning from March 2020

Sustainability and suggested next steps:

- Develop different sporting opportunities for all children
- Develop competitive sports on both sites.

The profile of PE and sport being raised across the school as a tool for whole school improvement.

The Governors regularly review the teaching of PE and the spending of the PE grant. PE teaching and provision is regularly observed by PE lead and SLT to ensure its profile remains high in the curriculum. Sports star of the week and the opportunity for children to share their sporting achievements in Friday sharing assembly have supported this. A sports noticeboard on the Junior site highlights teams, fixtures and celebrates achievement. On the Infant site, this is part of the Friday celebration assembly and photos of children with their medals and swimming certificates are on the 'Star of the Week' board.

Our school values link very closely to all subject areas, including PE. In awarding Sports certificates, staff and pupils will often use the values to express their achievement.

Competitive sport was suspended from January 2021 due to COVID 19, but has now been reinstated.

Sustainability and suggested next steps:

- Further training in outdoor learning based in school (orienteering etc.) Linda Harvey to lead on outdoor learning.
- Applying for Platinum status for Sports
- Applying for Bucks and MK Primary School Sports award

Increased confidence, knowledge and skills of all staff in teaching PE and sport

We have used some of the funding to purchase a comprehensive PE scheme used by all teachers as the specialist coaches who delivered PE teaching to every class for at least 1 lesson a week, left in May 2021. Lessons observed have been rated good or better. Staff observe lessons taught by the sports coaches to enhance their own practice. This same member of staff provides after school clubs. **Holiday clubs did not take place 2020-21 due to COVID 19 restrictions.** The PE lead teacher is proactive in promoting sport across the school, leading CPD and mentoring under confident teachers.

Sustainability and suggested next steps:

- Offer coaching qualifications to staff who want to develop PE skills
- PE lead to monitor the use of the new scheme and offer in house CPD.

Broader experience of a range of sports and activities offered to all pupils

We offer 7 hours of extracurricular sports in the form of after school clubs; **these were undertaken in class bubbles due to COVID 19 restrictions.** In addition, we offer 2 lunchtime dance clubs, after school tennis club and opportunities to take part in sports fixtures and competitions; **this was suspended due to COVID 19 restrictions.** This has now been reinstated.

We track pupil participation in sports activities to try and ensure that as many children as possible get the opportunity to take part in a variety of sports activities.

Sustainability and suggested next steps:

- Engage with local sports club to offer training to pupils (Dinton cricket club, Chinnor/ Thame/ Aylesbury Rugby Club, Aylesbury cricket club)

Increased participation in competitive sport

We continue to work with our neighbouring schools (HASSP- Haddenham Area Schools Sports Partnership) to offer sporting and dance opportunities for all year groups, including Foundation. We are a member of Aylesbury Vale Primary Schools Athletic Association and have taken part in cross Country events. We also belong to Mandeville Sports partnership and took part in online competitions- Dance and Gym.

Sporting Achievements:

- 2016-17 achieved the School Games Kite Mark at a Gold level.
- 2017-18 achieved the School Games Kite Mark at a Gold level.
- 2018-19 achieved the School Games Kite Mark at a Gold level.
- 2019-20 achieved the School Games Kite Mark at a Gold level.
- 2020-21 achieved the School Games Kite Mark at a Gold level.
- 2016-17 runners up in Milton Keynes and Bucks Primary School Sports award
- 2017-18 highly commended in Milton Keynes and Bucks Primary School Sports award

Sustainability and suggested next steps:

- Apply for Platinum School Games kite mark. **This would have been achieved this year, COVID19 limited the sporting activities we could offer the children,**

Development of Physical activity areas

There are designated areas for different sporting activities. We have developed the outside area to include:

Junior site Trim-trail on the field

Bike racks outside the front of the school
 Hard standing play equipment on playground
 Resurface playground and mark for netball

Infant field Two Outside adventure sets of equipment
 Infant Playground Resurfacing, marking and hard standing play equipment
 EYFS Rebuilt outside are with space for physical activity (bikes etc)

Future projects:

- Purchase of more sports equipment for playtime use.

PE Budget spend

PE Grant income 2020-21	£7292.00
Expenditure	
Swimming lesson subsidy	£128.70
PE Scheme	£1567.50
PE Equipment	£475.96
Membership of Mandeville Sports Partnership	£1000.00
Resurfacing Playground	£3580.00
Equipment (Girls and boys football kits, netball kits)	£437.40
Total	£7289.59
Carry forward	£2.41

Below is the list of recommended use of the PE grant, emboldened are the ones we did in 2020-21, this was limited due to COVID 19 restrictions:-

- **provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively**
- **hire qualified sports coaches to work with teachers to enhance or extend current opportunities**
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities. **However, we did online PE lessons and engaged with Joe Wicks activities in lockdown.**
- **support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs**
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the School Games. **We took part in the online events- School games, Dance and Gymnastics.**
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- **embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching**
