Dear Parents,

Although the government guidance has been that we no longer need to wear masks, we would still appreciate you wearing them when on school premises.

When in Church, we would also like adults to continue wearing masks; this is at the Church's request. Thank you for complying to the ever-changing COVID rules, we know it isn't always easy to understand what to do.

It was so lovely to see parents at the Infant Family Service. It has made me chuckle that Josh thought that my parents should be there too!

Fortnite

A polite reminder to say that we are aware that children are playing on games that are not age appropriate. We have also noticed that many of these same children have anxieties and struggle to control their emotions. We are not suggesting there is a correlation but there is a reason why games are PEGI rated and deemed not age appropriate. Please make sure that children are only playing on age-appropriate games and viewing age-appropriate YouTube.

Verrucae

Please can parents send plasters in for their child if they have verruca and are doing PE.

Lord's Prayer

Rev. Phil and Harriet have been teaching the children the Lord's Prayer in collective worship. Mr Hanscomb (Lucy and Peter's Dad) has designed a beautiful postcard of the Lord's Prayer and it's importance. All children will be bringing this home today.
