Welcome back! I hope everyone had a good half term break.

Unfortunately, we find our world gripped by the war currently happening in Ukraine. Staff have held PSHE lessons to help support children with their understanding of this situation. I know many parents have been making donations to the appeals for essential supplies. Our prayers go to everyone affected by this terrible conflict.

Last half term, we said goodbye to Mr Chaplin. I know he is doing well and has settled into his new job. It is with great joy that we welcome Mrs Clifton to our school. She is currently working in Year 4 on the junior site. Welcome also to Sofia and Louis.

We have started the term with World Book Day which is always an exciting time in the school calendar. We have enjoyed celebrating the wonderful world of books and dressing up as our favourite characters. This year saw us incorporate our home learning task into this day with the book in a jar, shoebox or cake task. It certainly was an incredible day, one we will not forget, I am sure.

I need to start by saying a huge thank you to all the children for their effort and creativity in designing and making their shoeboxes, jars and cakes. They were all amazing! All the staff were blown away by the fantastic creations and it was a joy to look at them and see how much time and effort that must have gone into making them. It was such a thrill to see the excitement and pride in the children's faces as they carried their home learning task into school.

Another huge thank you needs to go to all the parents and carers who helped the children with their work. I am sure you all had a very busy half term! It was great to see so many of you at the end of the day for the exhibition as well.

Unfortunately, Mrs Price was away on a course during the exhibition however, Mrs Chaplin and I have taken many photos and emailed them to her. She has been proudly sharing them with other Headteachers from across the country! She says a big well done to everyone! Again, thank you for all the hard work and support for this year's World Book Day!

Mr Jackson

World Book Day

After very long deliberations, awards were given to the following children for their World Book Day homework. It was an extremely difficult choice as all the children had made such a supreme effort. It was a privilege to share in their inspiration and excitement.
