Year 5/6 Derby Residential

Morning Owls

Dear Parents and Carers,

As part of our Religious Education curriculum, Year 5 and 6 took part in a Faith tour in central Bedford. They visited a gurdwara, mosque and a church, comparing all three and learning about the most significant features of these places of worship. The pupils behaved impeccably, asking the faith leaders many thoughtful questions.

On Thursday, Year 1 and 2 enjoyed designing and making teddy bear biscuits. For photographs and further details, please see our website post.

Did you know that your child has a dedicated maths lesson in school every day? For more information about our Maths Curriculum, please see our website page.

Yours,

Mrs Wilde

Hello from us - January is a time for rest and rejuvenation after the festive period so we are lying low for now, but we have got some exciting events coming up this year! Please put them in your calendar to be part of the fun and help raise some much-needed funds to support the school.

Friday 1st March - Adult Quiz Night 7:30pm

We are proposing the return of our popular quiz night. Come along and join a table for your year group or make your own... a dads table? A grandparents table? We hope staff will join in too! We have space for up to 10 tables (up to 10 per table)- so please get chatting on your year group and get the competition flowing.

Tickets are £10 each and include lasagne of lots of varieties (meat, veggie and vegan) with bread and salads too.

Some soft drinks will be available to purchase but you can bring your alcohol for a donation corkage fee.

Please get talking on your class groups and buy tickets on gateway by 8 Feb (put in comments what year group/team you are part of or get one representative to buy for your table/year) so we can know whether the event is viable.
