School Newsletter

Dear Parents and Carers,

[World Book Day at the Junior site](#) was enjoyed by all on Thursday 7th March. Please see our website to glimpse some spectacular costumes!

[World Book Day at the Infant site](#) was momentarily postponed by the Cuddington power cut. The pupils showed great resilience by adapting and coming into school for the afternoon. Instead, the day was celebrated today with some inspired costumes and a wide variety of books being enjoyed. We appreciated your flexibility yesterday and tried to inform you as soon as we were aware of the situation.

Girls' football opportunities were promoted by taking part in the FA's '[Biggest Ever Football Session](#)'. This sport is growing in popularity and yesterday our school team won their match against Brill School, taking the team through to the cup semi-finals.

The children have taken home their Learning Logs today with a special Science Week homework task. As part of our Science Week celebrations, we would like the children to use their homework time over the next two weeks to create a piece of work related to this year's theme 'Time'. We have encouraged them to use exploration and curiosity to think about what time means to them. They are free to complete the homework in any way they would like. The homework is due in on Friday 22nd March – on this day, we plan to have an exhibition of the homework in the halls on both sites. There will be an Infant site and a Junior site prize for the most innovative and imaginative piece of homework. We look forward to seeing the amazing creations.

The School Council are meeting on Monday to decide on a fundraising activity for Comic Relief to be held on Friday 15th March. We will email on Monday with an update of this activity.

We have informal Book Look next week. Your child's class will be open for 15 minutes from the end of the school day. This is an opportunity for your child to share their work with you.

Yours,
Mrs Wilde

Saturday 23rd - School tidy

infant site playground morning clean up, please come along and do anything you can.

Plant sale - Friday 26th April

Let's get growing!

Heres how you can take part:

You can donate house plants by taking cuttings and potting them up.

Sow garden plants from seeds with the kids inside in pots now in readiness for the sale.

Why not try sowing flowering plants such as Sweetpeas, Sunflowers, Cornflowers, Cosmos, Poppies, Snapdragon, Ammi, Zinnia, Stocks, Lupins, Achillea, Echinacea, Nicotiana, Nasturtium, and more.

Veg seeds- courgettes, chilli or tomato plants, Kale, salad leaves, chives.

Bring your plants to school on the morning of the sale to school (either site)

If you don't fancy growing you can donate packets of seeds or pots now. Or just come along on the day and buy!

Cash or gateway payments accepted.
