# School Newsletter

Dear Parents and Carers,

Lovely to see so many of you at parents' evening this week. Thank you for supporting our mufti day for Helen and Douglas House. We have raised £277.50.

Did you know that the NSPCC have dedicated resources for parents regarding online safety.

The NSPCC provides online resources for parents as you play such a vital role in helping children understand how to stay safe online. We are planning to host a parent information evening on the theme of 'Supporting your child with Online Safety' in the upcoming term, date to be confirmed.

Have a safe and fun filled half term.

Yours,  
Mrs Wilde
