

Dear Parents and Carers,

Foundation class have enjoyed their first full-time week in school, Miss Webb and I are very impressed with how they have settled into school life and are loving learning!

The new Ancient Rome topics was introduced to [Year 5 and 6 through a Roman workshop](#) earlier this week. They handled artifacts and travelled to Rome through the use of VR headsets, the Roman Forum and majestic temples were brought to life to engage everyone.

Miss Bailey has introduced [Forest School lessons with her Year 1](#) class, please see the website for further details.

Yesterday the Junior pupils voted for their [New Year 6 House Captains](#), congratulations to the new team and thank you to all the pupils who bravely stepped forward as candidates. They all delivered fantastic speeches and showed resilience when some were inevitably faced with disappointment.

Unfortunately, a number of pupils at our Infant site have become ill this week. The symptoms include a high temperature, shivering, headache, runny nose, coughing. For the majority of pupils this is thankfully a brief illness. To reassure you we have been opening windows and doors for increased ventilation; ensuring handwashing before and after eating and using hand sanitizer at key points during the day. Please see the [NHS website](#) for advice, if your child starts to display symptoms.

I understand parking can be a challenge at both our sites. Can I please encourage Cuddington parents to park at the Recreation Ground, at the end of Bernard's Close. A local resident was distressed this week when his driveway was blocked; I urge you to park considerately. For the Junior site, parking is easiest on Upton Road, just beyond the Church.

Yours faithfully,
Mrs Wilde

Superstars of the Week

Year 1 Vinnie and Freya D

Year 2 Olivia S, Barney and Sebastian

Year 3 Jacob and Lola

Year 4 Amber, Isaac and Christopher

Year 5 Bonham and Athena

Year 6 Oscar and Joseph O

House Point update, both sites so far

Claydon: $56 + \text{Juniors } 81 = 137$

Chequers: $61 + \text{Juniors } 68 = 129$

Blenheim: $50 + \text{Juniors } 65 = 115$

Hughenden: $49 + \text{Juniors } 49 = 98$
