## School Newsletter

Dear Parents and Carers,

Welcome to the new school year! It has been such a pleasure to see the children settling into their new classes, making new friends and engaging with learning. A warm welcome to our new Foundation class and their families, and all new pupils who have joined our school.

Teachers have been busy updating their class page on the school website, information about topics, routines and expectations are [shared here](#). Upcoming diary dates are shared on our [website calendar](#), which enables you to subscribe via your phone too. Please remember to label clothing, provide a named water bottle every day and a waterproof coat, as we take pupils outside unless the weather is torrential.

Following Department for Education requirements, all new Foundation pupils will participate in the [Foundation Baseline Assessment \(FBA\)](#); this involves Miss Webb spending time 1:1 with your child, getting to know them better and providing a snapshot of where your child is, so we are able to support them. The discussions are very friendly and informal.

Finally we have set up another after school club on each site starting next week, further information below.

I look forward to working with you all this coming year,

Yours faithfully,

Mrs Wilde

### **Reminders**

A couple of quick reminders. Whilst the children look lovely and smart in their uniform hair longer than shoulder length must be tied back. We do not allow earrings, if these are yet to be healed completely from the summer holidays please inform the office.

Please ensure on the Junior Site that School Lane remains car free, for the safety of the children parents are not to use the car park. Regarding morning drop off the gates are closed at the following times. Infants 8.45am and Juniors 8.55am. Please do not drop your child off without walking them into reception and signing them in. Do not assume your child can get into the building after this time.

### **After School Clubs**
