

Weekly Newsletter

Dear Parents and Carers,

It has been a joyous week with the Infant pupils performing their annual Nativity. From the loudest donkey, to the sweetest stars and Christmas angels, a Christmas superstar angel and a 'heaven scent' Gabriel. The children's personalities sparkled! Thanks to all our dedicated staff team for seamlessly pulling this together and our superstar performers.

Christmas fayre this afternoon is being held on the Junior site after school until 5pm. Year 6 are designing and making games for younger children so are hoping for some willing customers. Please see the list of raffle prizes below, with a huge thank you for the donations of prizes!

Congratulations to Claydon House on the Junior site and both Claydon and Chequers on the Infant site, for winning the House prize for the Autumn term. The winning houses will be enjoying an afternoon reward next week.

Please read our new [Safeguarding advice newsletter for parents](#). The December addition is available on our website, providing online safety advice regarding new devices and apps to be aware of. We will be sharing the newsletter each month in the new year.

Mrs Bingham has her last day next Friday and we have opened a payment option on School Gateway if you wish to make a donation to a leaving gift.

Yours faithfully,
Mrs Wilde

[A quick reminder that Save the Children Christmas Jumper day donations can be made here.](#)
