## Message from Mrs Wilde

Dear Parents and Carers,

Yesterday evening saw the Junior pupils ['Dance Club Camo-Crew' performance at the Energize dance festival at Wycombe Swan theatre](#). The group enjoyed a dress rehearsal on the stage, with professional sound and lighting before their performance to a packed theatre audience. Thanks to Mrs Brogan, Miss Bailey and Mrs Clements for enthusiastically preparing the dancers and parents for coming to support.

With warmer weather just around the corner, I would like to remind everyone about school uniform expectations. Children are requested to wear winter uniform until the Easter holiday: grey trousers or shorts, grey skirt or pinafore dress. Children should be wearing a white shirt or blouse and a school tie. School logoed, navy knitted jumpers or cardigans are to be worn. The navy fleece jackets are intended to be worn for PE. We accept in very cold weather these may be worn to help keep children warm, but it is not acceptable to be worn regularly as a jumper. Summer uniforms may be worn following the Easter holiday. [Please see our webpage for further details.](#)

[Little Owls class has the treat of new play equipment and furniture unveiled this week.](#) Miss Webb has used Bucks Early Years funding to enhance the provision to provide opportunities for children to develop core strength and reduce cognitive load keeping pupils from being over stimulated.

On Monday [Year 1 and 2 had a whole day of Design Technology](#). First they taste tested a range of exotic fruits, next they designed their own fruit skewer to incorporate the tastes they enjoyed. After lunch, they made their tasty design and evaluated the process. Everyone learnt the important steps of preparing fruit and the importance of a healthy diet.

It was a pleasure to welcome parents to our termly SEND coffee morning today. We would like to encourage parents to attend the next one in June, as our aim is to provide an informal support network for all.

Yours faithfully,

Mrs Wilde

Headteacher

## Message from the Governors

This week we have had a Finance, Personnel and Premises (FP&P) meeting where the school where the school budget was reviewed ready for the next financial year.

As governors we are very grateful to the hard work of Sally Carr, our school bursar, for all her number crunching, expertise and diligence.

## Safeguarding

For parents with older children who have use of a mobile phone, there are specific slang terms, use of emojis and hashtags which parents need to be aware of to help monitor your children. [Please see 430+ terms here](#), it makes quite surprising reading but will help parents keep up to date with youth culture and help monitor children's activities online.
