Message from Mrs Wilde

Dear Parents and Carers,

What a busy week the children have had!

Year 6 spent last Thursday and Friday immersed in a range of fun and challenging bushcraft activities. They learnt how to build a shelter, put their problem solving skills to action, used teamwork and generally had an amazing time. The photos on our Instagram page show how much fun they had.

Last week also saw Years 5 and 6 take a trip to the theatre to see [Wicked](#) at the Apollo Theatre, London. The trip linked to their upcoming production: *The Wizard of Oz*. Additional tickets for their production will be made available next week.

This week, [Bikeability](#) returned to Year 6 to teach them the skills to ride a bike confidently on the road. The two Bikeability staff commented about the children saying, "absolute golden behaviour from all the children, the best we have had from all the other schools all year!" Such fantastic news hear. Well done to Year 6!

On the Infant Site, Years 1 and 2 took part in a [Great Fire of London workshop](#). They participated in a whole day of role play, making a range of goods from leather bookmarks and soap to plague scarers and candles. Thank you to our parent helpers for helping to make the day run so smoothly.

On Wednesday, Years 3 and 4 happily boarded a coach to their residential at Woodrow High House. The Instagram photos show how much fun they had. It's a big step going on your first residential and the children coped admirably.

Finally, children from Year 5 had [a busy week participating in two Cricket tournaments](#) as part of the annual Bucks schools girls' cricket tournament. They played magnificently, winning 3 matches, drawing 1 and losing only 2. Thank you to all of those who helped to make the tournament a success.

Just a reminder to check your child's hair for headlice as we have had a reported case in school. Please see the guidance from the [NHS](#).

Thank you for sending in hats and water bottles while the weather has been warm. Monday is forecast to be very hot, so please make sure your child has sun cream applied before coming to school, a hat, a water bottle and a frozen water bottle. Teachers are mindful of the temperatures so will teach their classes in a cool area should the classrooms become too warm.

Yours sincerely,

Mrs Wilde and Mrs Bowman

Message from the Governors

One only has to glance at the school website to realise there are lots of exciting activities happening in and around school at the moment. The Governing Board would like to take this opportunity to thank all the school staff for going above and beyond in supporting the children during trips, activities, and residential. Your dedication and enthusiasm do not go unnoticed.

We also extend our heartfelt thanks to parents and carers for your continued support—especially during what is undoubtedly a very busy term. We hope the rest of the term's exciting activities run smoothly and are enjoyed by all!

A gentle reminder to please fill in the school survey if you haven't already done so. It can be accessed through this link: [Parent Survey 2025](#)

Many thanks.

F4CADS

The F4CADS colour run is happening **on Friday 11th July at 4pm at the Dinton Site after the junior site sports day**. All children from both sites (and parents too) are invited to enter this fun filled event!

Entry is £6 per person, and this includes a T shirt to wear for the event itself. Thank you to Jamie Smith Wall and Floor Tiling for the donation of the t-shirts.

To enter please buy your tickets on School Gateway, paying £6 per person. In the info box please provide us with the following: Entrants name and class, followed by T shirt size (Child S M or L) or in the case of adults, entrants name and T shirt size Adult S M or L).

If you are taking part, friends and family can sponsor you on the school's Just Giving Link: [Colour Run Sponsorship](#)

Superstars of the Week

- Foundation - Hetty, Harrison and Yara
- Year 1 - Albie and Fletcher
- Year 2 - Ethan W and George
- Value Leaves - Eddie (Foundation) and Olivia S (Year 2)
- No juniors stars this week but we celebrated the children who took part in the Cricket, Poetry Competition and Bikeability.
